**Disciplinary Information Section**

This section concerns matters that are required to be disclosed in connection with a registration application. Before completing this section, it is important to carefully read the instructions and the questions.

*Criminal Questions*

Common mistakes in answering the criminal disclosure questions involve expungements. The Commodity Futures Trading Commission requires a "Yes" answer even if the matter has been expunged, no matter what the individual's lawyer or the judge may have said. Failing to answer these questions correctly can not only delay the registration process; it can also result in the application being denied for failing to disclose material information.

Another common error regarding criminal matters concerns matters that do not involve the futures industry.

## TEMPLATE: DO NOT SEND TO NFA

### NATIONAL FUTURES ASSOCIATION

### INDIVIDUAL APPLICATION

## Instructions for Using the Individual Application Template

The fact that a matter is unrelated to the futures industry does not mean that the individual does not need to disclose it.

#### *Regulatory Questions*

Regulatory actions taken by the Commodity Futures Trading Commission, NFA or domestic futures exchanges do not need to be disclosed since NFA is already aware of them because they are entered into NFA's BASIC system.

#### Financial Questions

It is not necessary to disclose arbitration or CFTC reparations matters unless the individual has filed to pay an award issued in a futures-related arbitration or an order entered in a reparations matter.

#### Additional Documents

For any matter that caused a "Yes" answer, a written explanation detailing the events and conduct must be provided. That explanation can be entered on the Matter pages by giving it name, e.g., the docket number of the case, and describing it in the text box. Alternatively, the explanation can be sent in hard copy format to NFA.

In addition to the required explanation, other documents about the matter must be sent to NFA. If court documents are unavailable, a letter from the court verifying that must be sent to NFA. If documents other than court documents are unavailable, the individual must provide written explanation for their unavailability.

Like answering the questions correctly, providing all documents to NFA is important. Failure to do so will delay the registration process and may result in a denial of the application.

#### Completing the Proficiency Requirements Section

Individuals who are applying for registration as an AP or who are principals of a sole proprietorship AP must satisfy proficiency requirements. Individuals who have already satisfied the proficiency requirements do not need to complete the Proficiency Requirements section. An individual will have satisfied the proficiency requirements if:

- NFA has evidence that the individual has taken and passed the National Commodity Futures Examination (Series 3) or the Limited Futures Examination-Regulations (Series 32):
  - within two years prior to the date the application is filed; or
  - more than two years prior to the date the application is filed and since that date there has not been a period of two consecutive years during which the individual was not registered as an AP or FB or was not an approved principal of a registrant; or
- The individual is registered as a Floor Broker on the date the application is filed.

The electronic version of the application will assess whether an individual has already satisfied the proficiency requirements, and, if so, those pages will not be displayed.

- continued on next page -

INDIVIDUAL APPLICATION

**Instructions for Using the Individual Application Template**

Individuals who must complete the Proficiency Requirements section must indicate whether they intend to use the Series 3 examination or one or more alternative means to satisfying proficiency requirements. Some of the alternatives require that an individual limit the activities that he or she intends to engage in and to pass an alternative examination. Individuals who have already passed an alternative examination do not complete the questions related to alternative examinations if:

- NFA has evidence that the individual has taken and passed the examination that the individual intends to use to satisfy the alternative proficiency requirement:
  - within two years prior to the date the application is filed; or
  - more than two years prior to the date the application is filed and since that date there has not been a period of two consecutive years during which the individual was not registered as an AP or FB or was not an approved principal of a registrant.

The electronic version of the application will assess whether an individual has already passed the applicable alternative examination, and, if so, questions about those examinations will not be displayed.

Individuals filing as Branch Office Managers must indicate whether they will satisfy the Branch Manager proficiency requirements using the Branch Manager Examination (Series 30) or an alternative. The individual does not complete the Branch Manager proficiency section if the individual has already satisfied the Branch Manager proficiency requirements. An individual will have already satisfied the Branch Manager proficiency requirements if NFA has evidence that the individual has taken and passed the Series 30 and since the date the individual last ceased acting as a branch office manager, there has not been a period of two consecutive years during which he or she has not been registered as an AP.

The electronic version of the application will also assess whether an individual filing as a Branch Office Manager has already satisfied the Branch Manager proficiency requirements, and, if so, that section will not be displayed.

**Additional Assistance**

Additional information regarding registration requirements and specific topics can be found on the Registration page of NFA's web site at [www.nfa.futures.org](http://www.nfa.futures.org). NFA's Information Center, (800-621-3570), is also available to provide assistance. It's normal hours are Monday through Friday, from 8:00 AM to 5:00 PM CT.

OMB# 3038-0023

**Privacy Act and Paperwork Reduction Act Notice**

The information in Forms 7-R, 7-W, 8-R and 8-T and on the fingerprint card is being collected pursuant to authority granted in Sections 4f, 4k, 4n, 8a and 19 of the Commodity Exchange Act [7 U.S.C. §§ 6f, 6k, 6n, 12a and 23]. Under Section 4d of the Commodity Exchange Act [7 U.S.C. §6d], it is unlawful for anyone to act as a futures commission merchant or introducing broker without being registered in that capacity under the Act. Under Section 4m of the Commodity Exchange Act [7 U.S.C. §6m], it is unlawful for a commodity trading advisor or commodity pool operator to make use of the mails or any means or instrumentality of interstate commerce in connection with his business as a commodity trading advisor or commodity pool operator without being registered in the appropriate capacity under the Act, except that a commodity trading advisor who, during the course of the preceding 12 months, has not furnished commodity trading advice to more than 15 persons and does not hold himself out generally to the public as a commodity trading advisor, need not register. Under Section 19 of the Commodity Exchange Act [7 U.S.C. §23] and Section 31.5 of the CFTC's regulations, it is unlawful for anyone to act as a leverage transaction merchant without being registered in that capacity under the Act.

The information requested in Form 7-R is designed to assist NFA and the CFTC, as appropriate, in determining whether the application for registration should be granted or denied and to maintain the accuracy of registration files. The information in Form 7-W is designed to assist NFA and the CFTC in determining whether it would be contrary to the requirements of the Commodity Exchange Act, or any rule, regulation or order thereunder, or the public interest to permit withdrawal from registration.

The information requested in Form 8-R and on the fingerprint card will be used by the CFTC or NFA, as appropriate, as a basis for initiating an inquiry into the individual's fitness to be an associated person, floor broker or floor trader or to be a principal of a futures commission merchant, introducing broker, commodity trading advisor, commodity pool operator or leverage transaction merchant. Portions of the information requested in Form 8-R will be used by the CFTC and, in appropriate cases, by NFA, to confirm the registration of certain associated persons. The information requested in Form 8-T will be used by the CFTC, and, in appropriate cases, by NFA, to record the registration status of the individual and, in appropriate cases, as a basis for further inquiry into the individual's fitness to remain in business subject to the CFTC's jurisdiction.

With the exception of the social security number, all information in Forms 8-R and 8-T must be furnished. Disclosure of the social security number is voluntary. Disclosure of the Federal employer identification number is voluntary. The Social security number and the Federal employer identification number are sought pursuant to the Debt Collection Improvement Act of 1996. Under the Debt Collection Improvement Act, a social security number or a taxpayer identifying number furnished to the CFTC as part of the registration process can be used for purposes of collecting and reporting on any debt owed to the U.S. Government, including civil monetary penalties. The furnishing of a social security number or Federal employer identification number, however, assists the CFTC and NFA in identifying individuals and firms and therefore expedites the processing of those forms.

The failure by an applicant, registrant or principal to timely file a properly completed Form 7-R and all other related required filings may result in the denial of an application for registration or withdrawal thereof or, in the case of an annual records maintenance fee, treating the registrant as having petitioned for withdrawal. Failure by an applicant, registrant or principal to timely file or cause to be filed a properly completed Form 8-R or 8-T, any other required related filings, or a fingerprint card may result in the lapse, denial, suspension or revocation of registration, withdrawal of the application or other enforcement or disciplinary action by the CFTC or NFA.

INDIVIDUAL APPLICATION

**Privacy Act and Paperwork Reduction Act Notice**

With the exception of the fingerprint card, any information contained in the Personal Information Section and any information contained in Matter Information pages related to the Disciplinary Information Sections on Form 8-R and on Form 8-T or Item 7 on Form 8-W, the Forms 7-R, 7-W, 8-R and 8-T are considered by the CFTC to be public records and will be available for inspection by any person pursuant to CFTC Rule 145.6(b), 17 CFR 145.6(b). Copies will be maintained by National Futures Association, Registration Department, Suite 1400, 200 W. Madison St., Chicago, IL 60606-3447. Further, the CFTC or NFA may disclose the fingerprint card and any other information described above to third parties pursuant to routine uses which the CFTC has published in the Federal Register or as otherwise authorized under the Privacy Act, [5 U.S.C. §552a], and the Commodity Exchange Act. Disclosure of such information may be made by the CFTC as follows: (1) in connection with administrative proceedings or matters in litigation; (2) in connection with investigations; (3) where the information is furnished to regulatory, self-regulatory and law enforcement or other governmental agencies to assist them in meeting responsibilities assigned to them by law or made available to any member of Congress who is acting in his or her capacity as a member of Congress; (4) where disclosure is required under the Freedom of Information Act [5 U.S.C. §552]; (5) in connection with an employer's hiring or retention of an employee; (6) in connection with the verification of information submitted for sponsorship purposes; (7) in other circumstances in which the withholding of such information appears unwarranted; and (8) in connection with legally required or authorized reports. Disclosure may be made by NFA in accordance with rules approved by the CFTC.

If an individual believes that the placing in the CFTC's or NFA's public files of any of the information contained in the Personal Information Section or in Matter Information pages related to Disciplinary Information on Form 8-R and on Form 8-T or Item 7 on Form 8-W, or on the fingerprint card would constitute a clearly unwarranted invasion of his personal privacy, the individual may petition the CFTC, pursuant to 17 CFR 145.9, to treat such information as confidential in response to requests under the Freedom of Information Act (FOIA) [5 U.S.C. §552]. The CFTC will make no determination as to confidential treatment of information submitted unless and until the information is the subject of an FOIA request. The filing of a petition for confidential treatment, however, does not guarantee that the information will be treated confidentially in response to an FOIA request.

Forms which have not been prepared and executed in compliance with applicable requirements may not be acceptable for filing. Acceptance of this form shall not constitute any finding that the information is true, current or complete. Misstatements or omissions of fact may constitute federal criminal violations [7 U.S.C. §13 and 18 U.S.C. §1001] or grounds for disqualification from registration.

This notice is provided in accordance with the requirements of the Privacy Act, [5 U.S.C. §552a(e)(3)] and summarizes some of an individual's rights under the Privacy Act [5 U.S.C. §552a] and the Freedom of Information Act [5 U.S.C. §552]. Individuals desiring further information should consult the CFTC's regulations under the Privacy Act, 17 CFR Part 146, and under the Freedom of Information Act, 17 CFR Part 145, and the CFTC's annual notice, published in the Federal Register, pursuant to the Privacy Act, of the existence and character of each system of records maintained by the CFTC.

You are not required to provide the information requested on a form subject to the Paperwork Reduction Act unless the form displays a valid OMB Control Number.

The time needed to complete and file Form 7-R, Form 3-R, Form 7-W, Form 8-R and Form 8-T and Form 8-W may vary depending upon individual circumstances. The estimated average times are:
